

Hi!

I hope you and you family are keeping well during these difficult times.

As of late we have been getting a lot of inquires regarding desktop printers/scanners for home use and I wanted to reach out to you and let you know we've put together a package that would be ideal for home use and will help get you through the next few months without buying a new printer/scanner!

**TEL: 905-940-7377**
